

New Senior Partner at AVP

We are pleased to announce that Dr. Amir Golshani has joined AVP as Senior Partner

Dr. Amir Golshani holds a Master of Engineering in Physics and a Doctorate in Electronics Engineering from the Technical University of Vienna, Austria. He is also currently a Coach at the Innovation and Entrepreneurship Lab (ieLab) at the Federal Institute of Technology Zurich (ETHZ).

Dr. Amir Golshani will step in as AVP's Strategy Consulting Practice Leader, strengthening our team with focus on Strategy and Performance Improvement. He has broad operational experience in multidisciplinary dynamic fields in challenging multicultural environments and is familiar with European, American and Asian operation cultures.

He has 20 years of experience in high-tech and consumer goods industries and has served as a CEO, COO, member of the board in the course of his career.

Dr. Golshani has been active in the fields of technology and management consulting and M&A for over 15 years. His focus is strategy, strategic partnership and strategic business development, performance improving, R&D and manufacturing issues, technology transfer and project management.

Having worked in Switzerland, the USA, the UK, Germany, Austria and the Middle East, Dr. Golshani has gained expertise in the following areas:

- Strategic Thinking with "Out-of-the-Box" Solutions
- Innovation Management, Research & Development
- Executive Management and Leadership, Interim Assignments
- Strategic Partnerships / Technology Transfer
- Building up Businesses to Profitability

We would be very happy to provide you with further information and to organize a personal meeting.
