

ICFG welcomes new member Boltendahl International Partners from Spain

ICFG is delighted to announce that independent investment boutique Boltendahl International Partners (“Boltendahl”) has joined our network, strengthening and developing our presence in Europe and bringing a strong expertise in the Pharmaceutical field.

Founded in 1996, Boltendahl is headquartered in Madrid and is an independent international investment firm providing M&A and Venture Capital services for both buyers and sellers, operating in several markets.

With more than 25 years in the investment banking sector, Boltendahl International Partners has a strong relationship network around the world, and is a recognised specialist player in the Pharma and Healthcare sectors.

Founder and Managing Partner Juan Capurro Boltendahl has himself over 25 years experience in investment banking, with specific sector expertise in the Life Sciences including pharmaceuticals and healthcare, biotech, medical devices, animal health and MedTech. He is an advisor of international companies and major funds across both their acquisition and divestment strategies, and during his career has advised on more than 240 M&A transactions.

Juan Capurro has joined the ICFG Healthcare Practice Group with members based in the USA, Spain, Germany, the UK and France.

ICFG and Boltendahl are looking forward to the opportunities this association will bring to all parties, with more cross-border deal opportunities on the horizon.

Juan Capurro Boltendahl, Managing Partner at Boltendahl commented:

“We are excited by the way we can highlight the creativity and strengths of Iberian companies to global investors and introduce our Life Sciences opportunities to global possibilities. ICFG’s focus on assisting high quality and growth companies to identify and execute cross-border M&A and Capital Services transactions will provide a new opportunity for Spanish companies and investors to expand their international reach”.

Christophe Pothier, Chairman of ICFG commented:

“We are very proud to write a new chapter in the ICFG journey by building up our presence in the very complex and active Life Sciences space and establishing a solid footprint in the Iberian peninsula. We are very excited at the new horizons this association will bring to our clients all over the network”.

About ICFG

ICFG is an M&A and corporate finance network of independent member firms focusing on the middle-market, where we design, initiate & execute transactions up to \$300 million. With 20 offices all over the world, we have the in-depth knowledge of local markets & specific verticals to make a cross-border transaction happen. Since 1956, our members have closed thousands of transactions in virtually every industry.

Our understanding of local cultures, verticals, marketplaces and regulatory environments and expertise in cross-border transactions has resulted in many satisfied customers and attractive cross-border deals. We recognize the challenges and opportunities of midmarket companies developing internationally and we therefore ensure that our clients receive active and sophisticated advice from our committed partners and employees at all stages of a transaction.
