

ICFG Autumn Conference takes place in Stuttgart, Germany

12 members from the international network met in Stuttgart this week for the annual ICFG Autumn conference, hosted by German member Wintergerst Societät für Unternehmer-Beratung GmbH & Co. KG.

The event took place over 2 days and was represented by members in Germany, UK, France, Switzerland, Czech Republic, as well as Hong Kong, Poland and Italy via remote link up.

The conference was expertly hosted by German member Wintergerst at their offices in central Stuttgart. 3 guest speakers joined the conference over the 2 days, from ECM Equity Capital Management, Nimbus Hands-On investors and Trumpf GmbH. ICFG would like to thank the speakers for their valuable input into this event.

ICFG were also delighted to formally initiate newest US member, Westbury Group into the network. 3 partners from Westbury Group, based in the greater New York area, attended the conference to present their company to the ICFG members and for the formal joining to take place. All members of the network are excited about the prospects and opportunities this new partnership will bring to future cross border deals and collaborations.

Wintergerst ensured all members enjoyed some downtime in Stuttgart, with a fantastic dinner at the Porsche Museum on the opening night of the conference, further solidifying relations between the members.

The meeting was an efficient vehicle and several action plans to enable the generation of new services and opportunities will be launched later on this week.
